

REMARKS

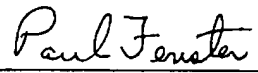

This application is submitted as a National Phase Application of PCT Application No. PCT/IL03/00504. The present application consists of claims 1-38.

Claims 39-73 have been cancelled. Applicants reserve the right to file these deleted claims in the form of divisional applications in the future.

Applicants wish to bring to the attention of the Examiner that the present amendments are based on the claims as originally filed with the PCT Application.

An action on the merits is respectfully awaited.

Respectfully submitted,
Oren GLOBERMAN
